Dear Penny and Heather,

I am writing this letter regarding the proposed cell towers being considered by the members of Council at the Town of the Blue Mountains.

It was suggested by Rob Potter, one of the Councilor's at the Town of the Blue Mountains that we should send you a copy of my letter and ask that the letter be placed on the Agenda for the January 14th Committee of the Whole.

The Events for Life Board will also be writing directly to provide some additional details as the work being carried out by this charity at Beaver Creek Farms.

Please do not hesitate in contacting me if you have any question regarding the attached letter.

Warm Regards,

Michael Hutchings
