## Recommendation

1. That Report TR-CW-17-19 containing the tender results for RFT-TS-04-19 Grey Road 4 and 18<sup>th</sup> Avenue, Hanover Traffic Signals be received; and
2. That Harold Sutherland Construction Ltd. be awarded the tender for a total amount of \$297,807.76, excluding HST.

## Executive Summary

RFT-TS-04-19 Grey Road 4 and 18<sup>th</sup> Avenue, Hanover Traffic Signals involves intersection improvements and the installation of permanent traffic signals at the intersection of Grey Road 4 and 18<sup>th</sup> Avenue in Hanover. The project includes the following:

- New set of traffic signals, including accommodating pedestrian movements with audible pedestrian signals and *Accessibility for Ontarians with Disabilities Act* requirements; and
- Widening 18<sup>th</sup> Avenue at the intersection to accommodate incoming southbound traffic and a lane for each of outgoing east and westbound traffic.

The requirement for traffic signals at this location was triggered by the construction of the new John Diefenbaker Senior School, which is located south of the intersection on 18<sup>th</sup> Avenue. The School is scheduled to open in September 2019. An increase in residential and industrial development in the area also played a role.

It is recommended to award RFT-TS-04-19 to Harold Sutherland Construction Ltd. for the bid amount of \$297,807.76, excluding taxes.
