

Minister of Education – Ministre de l'Éducation

Dear Mr. Halliday, Mr. Barfoot, Ms. Clumpus, Mr. McQueen, and Ms. Wingrove,

Thank you for our meeting on August 20th at the Ontario Association of Municipalities Conference in Ottawa.

It was a pleasure meeting you and discussing our mutual goals – along with our shared view that our early years and education systems are critical to our communities and the prosperity of our great province.

I valued our conversation and look forward to working with you as we move forward together.

I appreciate your feedback on the disposition of surplus schools and the importance of rural schools.

Thank you again for meeting with me, and for your commitment to our students, children, families, and communities.

I am honoured to have been appointed to the very important role of Minister of Education, and I am looking forward to working with you in the months ahead.

Together, we will take our province to even greater heights.

Sincerely,
