- (c) Proponent - Service Manager; and
- (d) Proponent - County.

1.2 It is expected that all Rental and Supportive projects will be required to obtain CMHC insurance for the first mortgage since this is a condition of funding under the Ontario Mortgage and Housing Partnership Initiative.

1.3 While this Schedule pertains to the Rental and Supportive Component of the AHP program, the same set of underlying principles and requirements could accommodate other program components with minor adjustments.

1.4 The undertakings and commitments contained in this Schedule are consistent with and do not supersede any agreements between the Governments of Canada and Ontario as per the Investment in Affordable Housing Program Extension 2014 (“IAH E Agreement”).

## **2. CONSULTATION**

- 2.1 When the County becomes aware of a failure of a Proponent to observe or perform a material condition in the Contribution Agreement, the County shall notify the Province, which shall, in turn, notify CMHC. The County and the Province shall each appoint one person to an ad hoc committee for the purpose of assembling information relating to the project in difficulty and determining a course of action for rectifying the difficulty. CMHC shall be invited to participate and will determine the extent of its involvement on the committee. Terms of reference for the ad hoc committee shall be developed and agreed to by all three parties.

## **3. BEST EFFORTS**

- 3.1 In determining what course of action may be undertaken to rectify a project in difficulty, the parties shall use their best efforts to work together co-operatively with a view to maintaining, to the greatest extent possible in the circumstances, the affordability of the rents for the project as determined by the Contribution Agreement. The parties acknowledge that the interests of the tenants shall be considered in determining what course of action may be most suitable for a project in difficulty.

## **4. ADVANCE NOTICE**

- 4.1 Neither CMHC, the Province nor the County shall substantially modify the terms of any project-specific agreement, including the Contribution Agreement, or the advance of Funds or the security documentation associated with the advance of Funds, with the exception of a CMHC insured first mortgage, without providing written notice to the other parties and a reasonable opportunity for the other parties to address the implications of such action.
- 4.2 The obligation to indemnify or the distribution of a recovery of Funds from a project in difficulty will require the County and/or Proponent to exhaust all reasonable

opportunities to seek recovery, which efforts shall include but shall not be limited to resorting to legal action to defend third party claims, seeking indemnification from insurance policies, if any, that may afford coverage for a particular loss and/or recovering Funds from bonding companies or other third parties who, at law, may be responsible for the losses of a project in difficulty.

## **5. INDEMNITY**

### **5.1 County - CMHC**

- (a) As per Section 8.4 of the IAH E Agreement, the County shall indemnify CMHC as the result of third party claims arising out of the implementation of the Agreement.
- (b) Federal-Provincial indemnity provisions on Project Development Funding and environmental claims remain as per Section 8.4 (d), (e) and (f) of the IAH E Agreement.
- (c) Where CMHC has insured a Proponent's first mortgage and a default occurs on the insured mortgage, the Province is not required to indemnify CMHC for any losses related to the mortgage insurance as per Section 8.4 (g) of the IAH E Agreement.
- (d) The IAH E "capital" Funds and the circumstances dealing with the recovery of these Funds are dealt with in subsequent sections of this Schedule.

### **5.2 County - Province**

- (a) Subject to paragraphs (b) and (c) below, the County shall:
  - (i) during construction and following completion of construction, indemnify the Province for 100% of any third party claims against

the Province arising out of the implementation of this Agreement;  
and

- (ii) following completion of construction, indemnify the Province for 50% of that portion of any third party claims against CMHC arising out of the implementation of this Agreement where the County indemnifies CMHC under the IAH E Agreement,

unless the claims are in any way, directly or indirectly, attributable to the negligence, bad faith or willful misconduct of the County.

- (b) During the construction phase of a project, the County shall indemnify the Province as a result of any third party claims against the County, subject to certain exceptions as per Section 8.4 of the IAH E Agreement, including:
  - (i) Maximum liability is limited to the total amount of IAH E Funds advanced at the time of the loss giving rise to the claim for indemnification;
  - (ii) This indemnity is limited to 50% of the provincial liability for losses in relation to Project Development Funding (i.e. 25% of the total claim);
  - (iii) This indemnity is limited to 50% of all losses, costs and expenses incurred by the County that relate to environmental or pollution claims, including claims against CMHC; and
  - (iv) There is no indemnification for losses covered solely by CMHC or by other insurance.
  
- (c) Following completion of construction, the County shall indemnify the Province as a result of any third party claims against the County and/or CMHC, subject to certain exceptions as per Section 8.4 of the IAH E Agreement, including:
  - (i) Maximum liability is limited to the total amount of IAH E Funds

advanced at the time of the loss giving rise to the claim for indemnification;

- (ii) This indemnity is limited to 50% of the provincial liability for losses in relation to Project Development Funding (i.e. 25% of the total claim);
- (iii) This indemnity is limited to 50% of all losses, costs and expenses incurred by the County that relate to environmental or pollution claims, including claims against CMHC; and
- (iv) There is no indemnification for losses covered solely by CMHC or by other insurance.

### 5.3 Proponent - Province

- (a) The Proponent shall indemnify the Province for any claims against the County and/or CMHC, in accordance with the Contribution Agreement.
- (b) The Proponent shall indemnify the County for any claims against the Province and/or CMHC, in accordance with the Contribution Agreement.

### 5.4 Proponent - County

- (a) Where there is a direct relationship between the County and a Proponent, the Proponent shall indemnify the County for all Federal Funds and Provincial Funds paid in the event of a claim against the County or CMHC.
- (b) Indemnification of CMHC will be required during the construction and occupancy period of a project. Indemnification of the County will be required throughout the Affordability Period.

## 6. **RECOVERY OF FUNDS**

6.1 Under the IAH E, a number of circumstances could arise which could make a project “noncompliant”. Examples include:

- (a) Construction Failures - increased construction costs, bankruptcy;
- (b) Environmental considerations - with the exception of those identified and recorded in advance of an IAH E funding commitment;
- (c) Program compliance violations - project fails to remain affordable or does not maintain its affordability target for the full 20 years, or Funds are misused.

6.2 Province - CMHC

- (a) CMHC would not expect full repayment of federal capital by the Province if the Province and the County confirms that “best efforts” were made to collect the Funds.
- (b) Best efforts would involve adherence by the County to the “risk sharing protocols” in order to minimize occurrence of failure. Furthermore, the parties will need to explore all available remedies with the County, the Province, Proponents and CMHC, and implement the best remedy to the extent possible.
- (c) If efforts lead to a recovery of capital Funds, CMHC would expect a repayment of “a pro rata portion” of the Federal Funds. All three funding partners shall share in any proceeds recovered, in proportion to their contributions.
- (d) A sliding scale for CMHC forgiveness is set at 5% per year over 20 years. Under certain circumstances, the County will share this forgiveness with Service Managers and Proponents, otherwise the County will collect these Funds for recycling in other projects.

- (e) Federal Funds could either be repaid by the Service Manager to the County and recycled in new commitments before March 31, 2018 or refunded directly to CMHC after this date.
- (f) In the event that auditors discover misuse of Federal Funds as per the IAH E Agreement, CMHC would expect a refund from the County where applicable. The amount owing could be reduced based on earned forgiveness of the principal amount during the period of project compliance.

### 6.3 County - Province

- (a) In the event a project ceases to be an IAH E project for reasons related to negligence, misuse or non-compliance, the County shall repay the Province all Provincial Funds advanced during the period of non-compliance. It is acknowledged that where the first mortgagee or CMHC has gained possession, as a result of a default under the insured loan, they would not assume any liability for Provincial Funds paid to the Proponent during the period of non-compliance prior to the date the first mortgagee or CMHC took possession.
- (b) In the event a project ceases to be compliant due to the negligence of the County, the County shall repay the Province all Federal Funds, less any earned forgiveness of the principal amount during the period of project compliance.

### 6.4 Proponent - County

- (a) The County shall adopt a similar position if a project terminates under reasonable circumstances. That is, best efforts can be made to recover Funds, but if there were no proceeds available, repayment would not be expected.
- (b) In situations of non-compliance due to misuse or negligence, the County is

expected to take remedies available to recover Funds.

6.5 Proponent - County

(a) In situations of non-compliance due to misuse or negligence, the Proponent shall repay the County all Federal Funds and Provincial Funds.

(b) If a project ceases to operate as an IAH E project, under reasonable circumstances, the provincial affordability payment would end and best efforts will be made to recover the Provincial Funds paid during any period of non-compliance. In the event no proceeds were available, repayment would not be expected.
