

December 2014 Grey County Up-Dates

1. By Law Enforcement Officers Monthly Report.

We have received 175 applications for permits this year and I have completed 217 site visits. The breakdown of this month's site visits are as follows, Chatsworth 1, West Grey 4, Grey Highlands 11, Georgian Bluffs 2 and Chatsworth 1.

2. Forest Management Technician's Report.

There is currently no harvesting occurring in Grey County Forests. Bester Forest products will be starting in Lily Oak soon and the cedar at Dornoch Krug tract (the land acquisition this year) should be cut this winter.

Currently finishing up marking for 2015 tenders and should have them ready for tendering in the early part of the new year, then we should have a good handle on income for the County Forests in 2015.
