

SAVE THE DATE

When: June 26, 2014

Time: 1 - 4pm

Location: Delta Hotel, Markham

TO ALL OMEX MEMBERS:

The OMEX Board and Management would like to invite all OMEX members to attend a meeting to discuss the 2014 Assessment.

We've heard you, it's time to get together. OMEX celebrated 25 years and you were a part of it. We'd like to look back and assess our program, hear your feedback and dispel some myths. We feel it is important to provide this forum as an opportunity to share and gather information in a group setting.

This meeting for both current and former members will allow us to provide more details about the events leading up to the approval of the assessment. There will be short presentations from OMEX management to provide more in-depth information. Following that, there will be an opportunity for you to voice any additional questions or concerns you may have.

Further information along with an agenda will follow.

Thank you,

Rose Read
