

## **STAFF REPORT TO GREY COUNTY JOINT ACCESSIBILITY ADVISORY COMMITTEE**

**FROM** Laura Christen, Director of Parks, Recreation & Culture  
Tom Karl, Manager of Parks & Recreation Facilities  
Melissa Hilgendorff, Human Resources Manager

**DATE** July 13, 2022

**SUBJECT** **Heritage Square Stage Cover**

### **RECOMMENDATION**

1. That Report Heritage Square Stage Cover be received; and
2. That the Grey County Joint Accessibility Advisory Committee (GCJAAC) endorse the design for the stage cover.

### **BACKGROUND**

At the GCJAAC meeting held on January 17, 2022, Hanover addressed the committee regarding potential updates to the stage area in Heritage Square, a public park located along the Town's main street. As requested by the committee, we are sharing the design plan received during the Request for Proposal (RFP) process.

### **DISCUSSION**

The initial objective of the project was to provide a stage cover for entertainers, expand and update the existing stage surface, and potentially add some pathways and ramps. Due to financial restrictions, the project scope has been amended to include only the addition of a stage cover and refresh of the cobblestone stage surface with solid cement surface. The remaining objectives will be part of a future phase, if funding permits.

Below are three figures submitted by the successful bidder for the project depicting what the band cover will look like, complete with dimensions. This permanent structure will provide shelter for performers and protect them and their equipment from the elements, including sun and rain.

The stage will remain as it presently exists, a circular structure that is 20 feet in diameter and 18 inches off the ground. A concrete slab two feet wide will be added around the existing stage. The band cover will consist of an octagonal, asphalt shingled roof that is 26 feet in diameter. The band cover will be added above the stage and will be supported by eight posts distributed evenly around the structure just outside the concrete slab.

The Town of Hanover thanks the GCJAAC for their time, consideration and assistance.

Respectfully submitted,

Laura Christen  
Director of Parks, Recreation and Culture

Concurrence,

Melissa Hilgendorff  
Human Resources Manager
