

AND WHEREAS the County of Grey purchasing by-law allows for cooperative purchasing and requires that when procurements exceed \$25,000 in a cooperative arrangement, that Council be notified prior to purchase;

NOW THEREFORE BE IT RESOLVED THAT Report ITR-CS-06-12 be received;

AND THAT the County of Grey purchase laptop and desktop hardware from Dell Canada Inc. through the OEM agreement for the period of three years with an option to renew for a further two years;

AND FURTHER THAT the Information Technology Director and Director of Finance be directed to execute the contract between Dell Canada Inc. and the County of Grey.

Carried

Other Business

Mr. Hogan provided an update on the Rural Broadband Project in the county noting that the outstanding work of tower requirements is completed and inspections will be completed.
