Dear Larry:

In response to your letter dated September 29, 2016 outlining the position of West Grey Council on long term care services was received by the Social Services Committee on October 12, 2016.

Grey County is reviewing the current structure of the services we provide and more work needs to be completed before a final decision can be made. We continue to be committed to finding the best solution and no decisions have been made at this time.

Thank you for your interest and taking the time to voice your opinion.

Yours truly,

Alan Barfoot
