Dear Michael Kelly:

Re: Ontario Community Infrastructure Fund (OCIF) Application-Based Component

Thank you for your Expression of Interest (EOI) under the OCIF Application-Based Component.

Unfortunately, your project proposal has not been selected to move forward to the application phase of the OCIF.

This was a highly competitive intake. Nearly 350 EOIs were received and all were subject to careful consideration and evaluation. Your project proposal was not selected to move forward to the application phase, primarily because other applicants with highly critical projects had more challenging economic conditions and fiscal situations.

Economic conditions and fiscal situations were assessed using a combination of:

- total weighted property assessment per household
- median household income
- average of net financial assets less total liabilities (between 2009-2013) per household
- average total residential property taxes, user fees and service charges (between 2009-2013) per household as a percentage of median household income

Should you have any questions, please do not hesitate to call the contact centre at 1-877-424-1300 or email OCIF@ontario.ca.

Thank you for your interest in the OCIF Application-Based Component.

Sincerely,

Joel Locklin
Manager (A), Program Operations
