Dear Mr. Milne:

Thank you for your letter requesting a meeting with the Honourable Glen Murray, Minister of Transportation, to discuss the construction of a roundabout on Highway 21. I am pleased to respond on behalf of the ministry.

Due to the writ period, the minister is unable to meet with you at this time. However, you may wish to contact the ministry following the June 12 election in order to pursue this matter.

Thank you again for your letter.

Sincerely,

**TOWN OF THE BLUE MOUNTAINS
NOTICE OF PUBLIC MEETING
TO CONSIDER THE ONE-WAY OF CLAIRE GLEN**

TAKE NOTICE THAT the Council of the Corporation of the Town of The Blue Mountains will be considering a By-law to designate a portion of Claire Glen one-way only during the winter ski season.

AND THAT the Committee of the Whole of Council of The Corporation of the Town of The Blue Mountains will hold a **PUBLIC MEETING** in the **TOWN HALL COUNCIL CHAMBERS, 32 MILL STREET, THORNBURY, ONTARIO, COMMENCING 7:00 P.M. ON THE 14th DAY OF JULY, 2014** for the purpose of considering a By-law to One Way a portion of Claire Glen.

The Town of The Blue Mountains has an active application for Site Plan Approval submitted by Blue Mountain Resorts that proposes to improve two parking lots (known as Parking Lot 1B and 1C – See attached sketch) adjacent to the new Orchards Ski Area, east of Grey Road 119 (Scenic Caves Road) and south of the existing round-a-bout. Concerns have been raised regarding the potential increase in traffic to the parking areas from Grey Road 19 through Claire Glen. Blue Mountain Resorts has proposed signage throughout the parking lots directing traffic to the County Roads only, and in addition it is suggested by the Town and County that making Claire Glen one way only during the ski season (December 1st to March 31st) would minimize traffic conflicts. The section of Claire Glen to be designated one way only is located between the intersection of Blue Mountain Road and Claire Glen, northbound to the intersection of Grey Road 19 and Claire Glen. (See attached sketch)

The effect of this By-law is to designate Claire Glen one-way only northbound from the intersection of Blue Mountain Road and Claire Glen to the intersection of Grey Road 19 and Claire Glen from December 1 to March 31.

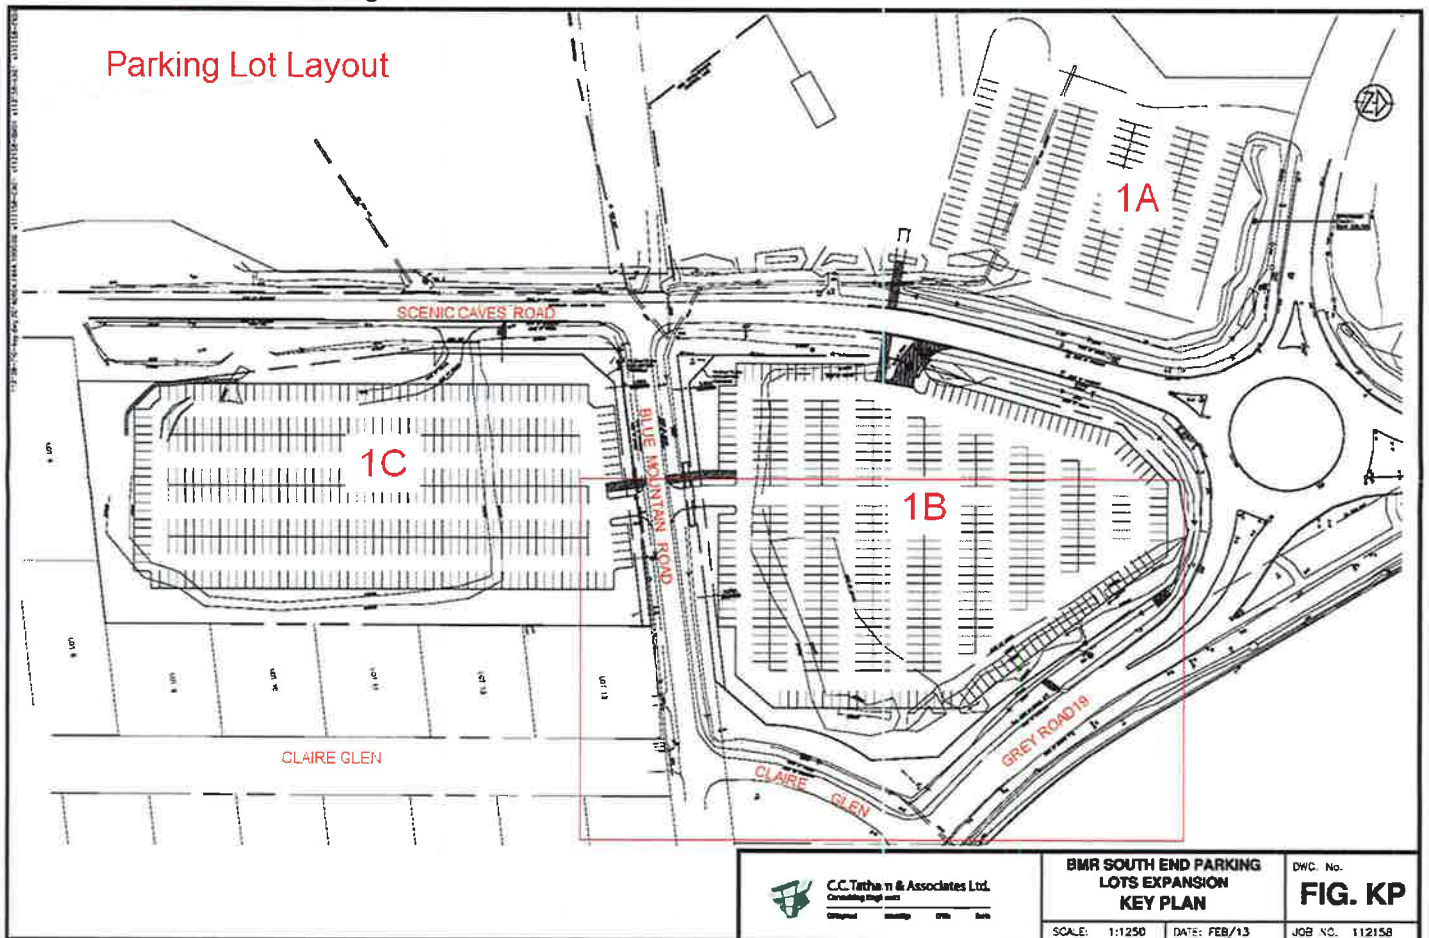

The subject lands of this By-law are owned by the Town of The Blue Mountains.

It is requested that comments be submitted to the Town prior to the public meeting so that comments can be read at the public meeting for the benefit of the Council, Staff and the Public.

DATED at Town of The Blue Mountains this 24th Day of June, 2014
