## Recommendation

1. That Report TR-CW-13-19 regarding a summary of the 2019 School Litter Pick-Up Program be received for information.

## Executive Summary

The School Litter Pick-Up Program encourages schools in Grey County to participate in keeping Grey Roads clean in exchange for financial compensation of \$42.86 per kilometer of road cleaned.

## Background and Discussion

Two schools participated in the County's School Litter Pick-Up Program in 2019. The kilometers of road cleaned decreased by 13% compared to last year.

Information regarding the School Litter Pick-Up Program was provided to the Principals of each of the schools within Grey County in March 2019. This information will be sent again in 2020.

The two schools that participated were very appreciative of the opportunity to raise money for their various school projects and functions. Transportation Services is

committed to promoting this program again in 2020 by using the positive feedback from these two participating schools from this year in our information package.

School	Number of Student Participants	Kilometers of Road Cleaned	Financial Compensation Earned
Hillcrest Elementary School	125	149.38	\$6,402.66
Osprey Central School	175	77.81	\$3,335.29
<b>Total</b>	<b>300</b>	<b>227.19</b>	<b>\$9,737.95</b>

## Legal and Legislated Requirements

None.

## Financial and Resource Implications

Grey County paid a total sum of \$9,737.95 to the participating schools in 2019. Transportation Services budgeted \$25,000.00 for Litter Pick-Up. This includes Grey County staff time and materials for all litter pick-up related activities.
