Financial and Resource Implications

Project Funding

Item	Excluding HST	Net HST
Approved Total Project Budget	\$3,434,060.53	\$3,494,500.00
Tender Award Amount	\$3,725,876.60	\$3,791,452.03

Total Tender Projected Costs	\$4,098,464.26	\$4,170,597.23

The total project amount is over budget by \$676,097.23 net HST due to higher material quantities to complete the project being identified. Staff note that material costs were as originally estimated. These funds will be drawn from any 2023 capital construction surplus, or if none, the Transportation Service General Reserve.

The ten percent contingency is being applied to cover off any possible fluctuations in the Asphalt Cement Index, fuel index and any unexpected field issues.
