## Heather Prescott - Provincial Changes to Uninsured Persons Program

Kevin McNab introduced the delegate and spoke about concern in the healthcare community about recent provincial changes to the uninsured person's program.

Heather Prescott presented to the Committee as the clinical lead for the SOS program and efforts to support vulnerable or marginalized individuals in the community. The presenter reported the services offered through the SOS program and described the challenges some experience in obtaining or maintaining government-issued identification, especially for those experiencing homelessness, and the impact that can have on those attempting to receive healthcare services. The presenter described the effect the provincial changes to the uninsured person's program would have to create barriers to critical services moving forward.

Melissa McCulloch shared a recent local example where several individuals lost their identification following a fire. While they could receive care under this program then, the presenter explained that supporting the residents in obtaining new identification took significant time.

Kevin McNab stressed the importance of access to preventative care and the negative impact that recent provincial changes to the uninsured person's program will have on those in marginalized or vulnerable communities accessing healthcare.

CW69-23      Moved by: Councillor Boddy      Seconded by: Councillor Keaveney

**WHEREAS the Ministry of Health found it desirable during the COVID-19 pandemic to establish temporary funding for healthcare providers to treat those without coverage under the Ontario Health Insurance Plan (OHIP); and**

**WHEREAS this program improved health outcomes and reduced financial hardship or barriers to healthcare for those without insurance or with lost or expired health cards in Ontario before the ministry rescinded it as of April 1, 2023; and**

**WHEREAS Ontario Medical Association has voiced its concern that ending this program without consultation or a better solution for Ontario's uninsured would be detrimental to those in marginalized communities, such as people experiencing homelessness, those facing language barriers or mobility issues, or newcomers, migrant workers, and international students without coverage; and**

**WHEREAS removing this program without further action to reduce barriers to healthcare or requirements for obtaining a health card would disproportionately affect marginalized communities at the cost of unnecessary suffering or potential loss of human life.**

**NOW THEREFORE BE IT RESOLVED THAT the Council of the County of Grey calls on the Ministry of Health to urgently:**

- a. **Extend this program by the six months requested by the Ontario Medical Association to provide the opportunity for fulsome consultation with healthcare stakeholders; and**

**AND FURTHER THAT a copy of this motion be sent to the Minister of Municipal Affairs and Housing, the Minister of Health, and the Association of Municipalities of Ontario.**
