Dear ~~Warden Hicks:~~ 

On behalf of the Board of Directors of Owen Sound Housing Company Limited, I wish to thank you for your support of our most recent affordable housing build in the City of Owen Sound.

Council's support of our request for financial assistance through a construction loan is greatly appreciated. The 8 units are approximately 75% complete and we anticipate an opening date of May 1, 2019.

The County has long been a dedicated partner with Owen Sound Housing and Owen Sound Municipal Non Profit Housing in the building of, in total, 96 affordable homes in the City. To say that we could not have done it without your support is an understatement.

We wish to invite Council to an open house of our Odawa Heights development during April to show you what our partnership has been able to create. If this is of interest to Council, please let us know when would be a good time.

Thank you again for your continued support.

Sincerely

Ruth Lovell-Stanners
