Attention: Sharon Vokes - Clerk

Dear Mrs. Vokes:

**Subject: Proposed Stakeholders Liaison Committee
HSCL Keppel Quarry Expansion Site
Pt. Lots 26, 27 & 28, Conc. 10, Township of Georgian Bluffs
(former Keppel Twp.), Grey County**

In reference to this recent Aggregate Resources Act quarry licence issuance, the formation of a Stakeholders Liaison Committee (SLC) is required as noted and outlined under Section 10.2 of the Adaptive Management Plan (AMP).

Your organization/agency has been referenced as a potential participant on the SLC and as such we are inviting you to become part of this committee. It is suggested that a potential candidate from your organization be nominated. A resume outlining the nominee's qualifications as well as a letter indicating why they feel they will make a positive contribution to the SLC should be provided.

Once the membership is finalized we will send out a draft Terms of Reference and canvass for dates to hold the first meeting.

Should you have any further questions please contact myself or Dave Munro, Aggregate Sales & Compliance Manager at this office, Ph: 519-376-5698 Ext 247 or e-mail at dave@hsc-ltd.com

Yours truly,

Jennifer Sutherland
Vice President Finance/Administration
