Subject: RE: Council Resolution

Hi,

Thank you to those municipalities that have supported the resolution noted below, however, as per the following memo from the West Grey Police Chief, the OSPCA appears to have resumed operations in Grey-Bruce Counties:

ATTENTION: ALL OFFICERS

The OSPCA is once again servicing Grey and Bruce Counties, although they will not have a local office. Contact with the OSPCA will be through their provincial office at 905-898-7122 or 1-888-ONT-SPCA (1-888-668-7722), from which they will dispatch an inspector or provide advice, as required. This service is provincially funded so the "fee for service" that was offered during their absence has been cancelled – in other words no cost service to the municipalities.
