Honourable Madam:

At the July 8, 2014 session of Grey County Council, resolution CC85-14 was endorsed as follows:

WHEREAS the cost of hydro has doubled and in some cases more than doubled in the past five years;

AND WHEREAS the cost of electricity in the Province of Ontario is forcing businesses to consider leaving the area;

AND WHEREAS many families are having difficulty keeping up with their monthly payments;

NOW THEREFORE BE IT RESOLVED THAT the County of Grey strongly urges the Premier to find out the reason why costs are escalating;

AND THAT the Premier be encouraged to do something to bring these rates down to a reasonable level and to do so as quickly as possible.

Consideration of this resolution is respectfully requested.

Yours truly,

Sharon Vokes
Clerk/Director of Council Services
