Corbeil, Ontario
February 10, 2015, Session No. 2015-057

Moved by: Pauline Rochefort
Seconded by: Rick Champagne

WHEREAS the Municipality of East Ferris owns and maintains a lengthy paved road network in Northern Ontario;

AND WHEREAS the Municipality of East Ferris faces many financial challenges based on current and emerging municipal infrastructure deficits and needs;

AND WHEREAS the Municipality of East Ferris recognizes that many factors impact pavement behavior including but not limited the following:

- Changes in climatic conditions including drainage
- Geotechnical conditions such as bearing capacities and non-frost susceptible soils
- Pavement design including the properties of materials in pavement
- Pavement structural design including traffic and loading capacity
- Workmanship

AND WHEREAS the Municipality of East Ferris has noted that our pavement is not lasting as long as it has in the past therefore, negatively affecting our asset management plan life cycle projections;

AND WHEREAS other Municipalities in the Province of Ontario are encountering similar problems;

AND WHEREAS enhancing the material properties of pavement to improve the longevity of our roads is critical to creating a sustainable paved road network for municipalities;

THEREFORE BE IT RESOLVED that the Municipality of East Ferris requests that the Ministry of Transportation provide answers to the municipalities in this Province as to why the asphalt on our paved roads is deteriorating at a faster rate than in the past;

AND FURTHER THAT a copy of this resolution be forwarded to the Ontario Good Roads Association (OGRA); Victor Fedeli, MPP Nipissing; Hon Brad Duguid, Minister of Economic Development, Employment and Infrastructure; Hon Ted McMeekin, Minister of Municipal Affairs and Housing; Hon Jeff Leal, Minister of Agriculture, Food and Rural Affairs; and, all municipalities in the Province.
