Dear Ms. Wingrove:

**RE: Approval Under the Long-Term Care Home Capital Development Funding Policy, 2022 -
Rockwood Terrace (PROJ 545)**

The Ministry of Long-Term Care has implemented the *Long-Term Care Home Capital Development Funding Policy, 2022*, which is a revised funding policy for long-term care home capital development. This update introduces a fixed, time-limited Construction Funding Subsidy (CFS) top-up for eligible projects to help accelerate the development of much-needed long-term care beds across the province, subject to applicable conditions and requirements.

I am pleased to advise you that the Rockwood Terrace Project is eligible to receive CFS top-up funding for 128 long-term care beds under the new *Long-Term Care Home Capital Development Funding Policy, 2022*. This approval is subject to the fulfillment of all the conditions and requirements as set out in the *Fixing Long-Term Care Act, 2021*, with respect to the licensing and operation of the beds, and other conditions to be stipulated by the Ministry of Long-Term Care.

Thank you for your continued dedication and commitment to the long-term care sector.

Sincerely,

A handwritten signature in blue ink, appearing to read "Paul Calandra".

Hon. Paul Calandra
Minister of Long-Term Care
