Executive Summary

Grey County currently has two tenders that deal with pavement markings; TR-TS-24-18 Pavement Marking Symbols and RFT-TS-08-19 Pavement Marking Tender. TR-TS-24-18 Pavement Marking Symbols was awarded in 2018 and is for arrows and stop bars. RFT-TS-08-19 Pavement Marking Tender is for white and yellow solid lines and dashed lines.

Background and Discussion

The schedule of work for this Pavement Marking Tender contract is two years and consists of the 2019 and 2020 seasons.

The scope of work consists of the supply and application of traffic paint and beads on all existing pavement.

Capital projects are not painted prior to construction.

Using efficient and economical purchasing powers to maximize value for the taxpayer, Transportation Services invited all member municipalities to participate in this tender. The City of Owen Sound, the Township of Southgate, the Municipality of West Grey and the Municipality of Grey Highlands joined in a cooperative venture for the purchase of pavement marking. It is the member municipality's responsibility for awarding their portion of the Tender.

The Tender was posted on the Grey County website from Thursday, February 14, 2019 until Tuesday, March 12, 2019. The bids received are shown below.
