Dear Rod:

Re: Lease Renewal – G&B House (Morrison House)

G&B House is requesting to negotiate a new lease agreement for the Morrison House given the current 10 year lease agreement expires September 9th, 2014.

Over the 10 year period of the current agreement the program has made excellent use of the House as a Residential Addiction Treatment and Supportive Housing program for men dealing with chronic addiction issues. Significant investments have been made by our Board of Directors and our funder, the South West LHIN to maintain and enhance the property to support our 15 bed residential program. We trust a new lease agreement can be established that will allow for this successful and needed program to continue in its present location.

Please pass on my thanks to the County of Grey for their support of our program over many years; we look forward to a continuation of this successful partnership in the years to come.

Yours sincerely,
