Subject: Re closure of Road 91

Although I am unable to attend the council meeting today, I wish to add my voice to the objections against the closure of road 91. Like many other residents of Grey Highlands I frequently use this route to get to Barrie, Orillia or over to 400 north. In my case the closure would mean 10 km. of added distance on each return trip. For many other residents there is even a greater difference, which will add up to a collectively significant waste of time and gasoline. Therefore I appeal to Grey County Council to support the request for assistance in negotiations with Simcoe County to prevent the closure.
