Business Arising from the Minutes

Transportation and Public Safety Committee minutes dated July 18, 2013

These minutes are for information only as they were adopted by Grey County Council as presented on August 6, 2013

Reports – Chief Administrative Officer
CAOR-TAPS-12-13 Corporate Asset Naming Policy

Lance Thurston presented the above report, requesting the Committee’s endorsement of the Corporate Asset Naming policy. The need for a naming policy originated from a request by a resident to name sections of two county roads after a specified individual. The proposed policy includes the naming of all County assets and does not allow for the naming of a County road contrary to the County’s road naming convention, which currently names roads by by-law as a designated number.

Staff noted that having multiple names for a road is not recommended in order to prevent issues with emergency addressing. The intent is to manage risk and have a strong policy in place.

The Committee suggested that signage include both the county road name and commemorative name to address confusion with multiple road names.

The request received to name two county roads after Bill Murdoch will be considered by Committee at a later date after the policy is in place.

TAPS90-13 Moved by: Councillor Anderson Seconded by: Councillor McQueen

WHEREAS it is desirable to establish a policy for the naming and renaming of County assets, including county roads;

NOW THEREFORE BE IT RESOLVED THAT the Transportation and Public Safety Committee hereby endorses Corporate Asset Naming Policy Number G-GEN-009 as amended, to include the following:

- Notwithstanding the general provisions of this policy to the contrary, County Council may waive its prohibition to re-naming county roads in order to assign an honourary designation to a County road or section of said road to commemorate truly exceptional achievements and/or contributions of an individual to Grey County. In doing so, County Council must be satisfied that:

  a. The honourary designation is not expected to create undue confusion for civic and mailing address purposes, particularly in emergency services response situations;

  b. It is well documented and communicated broadly that roads assigned an honourary designation are not officially renamed and that the County road naming convention still applies for all civic and mailing address purposes;
c. Individual family tribute or commercial and corporate related recognition is not permitted. Further, applying an honourary name to more than one County road or portions thereof is not permitted;

d. The local municipality or municipalities through which the County road runs have endorsed the commemorative re-naming proposal by resolution;

AND FURTHER THAT the policy be presented for adoption to the Corporate Services Committee.

Reports - Finance

FR-TAPS-31-13 EMS Financial Update and Year-end Projection as of May 31, 2013

Mary Lou Spicer addressed the Committee on the above report, providing a financial update and year-end projection for the Emergency Medical Services (EMS) department budget as of May 31, 2013. Ms. Spicer elaborated on the grant funding received from the Ministry of Health and Long-Term Care. Staff anticipate that a surplus of $11,000 will result at year-end.

TAPS91-13 Moved by: Councillor Barfoot Seconded by: Councillor Greenfield

THAT the Transportation and Public Safety Committee receive Report FR-TAPS-31-13 regarding a Financial Update and Year-End Projection as of May 31, 2013 for the Emergency Medical Services department budget.

Carried

TR-TAPS-59-13 Transportation Services Department Update and Year-end Projection as of May 31, 2013

Michael Kelly provided information on the above noted report, providing the Committee with a financial update for the Transportation Services Department budget as of May 31, 2013. Mr. Kelly detailed each budget and its projected status at year end. Staff noted that equipment use has decreased and contributed to lower revenue. Staff anticipate that a deficit totalling $143,000 will result at year-end, largely due to the equipment operation budget which realized less revenue than anticipated due to decreased equipment use.

TAPS92-13 Moved by: Councillor McQueen Seconded by: Councillor Haswell
THAT Report TR-TAPS-59-13 regarding the Transportation Services Department Financial Update and Year-End Projection as of May 31, 2013 be received.

Carried

Councillor Haswell then left the meeting.
The Committee briefly recessed then reconvened.

NextEra Energy Entrance Permits

Pat Hoy updated the Committee on the status of NextEra Energy entrance permit approvals, noting that staff will approve the entrance permits under the existing entrance permit policy unless otherwise directed by the Committee.

Staff addressed questions from the Committee on entrance requirements, permit fees, commercial and industrial entrance classifications, requirements for applicants, the appeal process for entrance locations, and securities requirements.

The Committee inquired as to the status of the County’s road use agreement policy. Staff confirmed that it is currently with the lawyers and that the lower tiers have had the opportunity to provide input and comment during the process.

Moved by: Councillor Eccles Seconded by: Councillor McQueen

THAT staff defer wind energy entrance applications until they can be considered under a revised policy.

Councillor Eccles and Councillor McQueen withdrew the above motion.

TAPS95-13 Moved by: Councillor Pringle Seconded by: Councillor Barfoot

THAT Grey County considers industrial wind turbines to be classified as industrial for entrance permit purposes;

AND THAT Traffic Impact and Road Assessment Studies shall be provided to the County before permits are considered;

AND THAT once staff have completed its assessment of the current outstanding entrance applications related to industrial wind turbine projects and before staff renders its decisions on those applications, a report be submitted to the Transportation and Public Safety Committee for information, outlining the nature of staff’s review including:

- Policy considerations and interpretation;
- Applicable fees;
- Issues considered in the review;
- Conditions or preconditions of approval;
- Financial securities;
- Staff’s intended decisions on each.
