Dear CAO Wingrove,

Re: Flesherton to Walkerton transit route

The West Grey Local Accessibility Advisory Committee, at its September 2, 2020 meeting passed the following motion: "Recommend to West Grey Council that council tries to ensure that the Grey County Flesherton to Walkerton routes uses accessible buses. CARRIED." Subsequently, at the November 3, 2020 West Grey Council meeting, this motion was supported by council.

On behalf of West Grey council, and in support of the resolution from the West Grey Local Accessibility Advisory Committee, please accept this letter as a formal request from West Grey that the County Road 4 route, from Flesherton, through Durham, and to Walkerton offers accessible vehicles for riders of all abilities.

The county's commitment to transit throughout Grey County is certainly appreciated. As the system matures and evolves, it is important to meet the needs of all citizens and meet our obligations of inclusivity and accessibility.

Respectfully,
