Dear Warden Hicks:

Thank you for submitting your feedback in response to Environmental Registry of Ontario posting #013-4992 – Focusing conservation authority development permits on the protection of people and property. I appreciate hearing about your experience with conservation authorities.

My ministry will carefully review all comments received. I assure you that municipalities, stakeholders and the public will be notified of any additional regulatory proposals or further opportunities to provide input as we move forward.

Thank you again for writing.

Sincerely,

John Yakabuski
Minister of Natural Resources and Forestry
