## Background

By-Law 4788-13 was adopted by Grey County Council to regulate traffic and parking on roads under the jurisdiction of the County of Grey.

The By-Law includes twenty-one schedules that identify a variety of restrictions and fines.

### *Schedule “U”*

Schedule “U” identifies No Parking Where Signs Are Posted.

Currently the schedule includes no parking on Grey Road 5 (2<sup>nd</sup> Avenue East in Owen Sound) on the east side from 6<sup>th</sup> Street East to the entrance of Harrison Park, and on the west side from the south side of the Jubilee Bridge to the entrance of Harrison Park.

The City of Owen Sound has requested that the County extend the no parking zone on the west side of Grey Road 5 from south of the Jubilee Bridge to 6<sup>th</sup> Street East. As a result, there would be no parking on both sides of Grey Road 5 from 6<sup>th</sup> Street East to the entrance of Harrison Park.

When Grey Road 5 was reconstructed from the Harrison Park entrance to 6<sup>th</sup> Street East, a paved shoulder was installed. The paved shoulder is often used for active transportation. The City of Owen Sound has requested this additional no parking zone to be implemented to ensure the paved shoulder is not obstructed by parked cars.

Several residents in the vicinity are not in agreement with the City of Owen Sound’s request to eliminate the parking in this location.

This request will not have any negative effect on the Grey County Road network.

## Financial / Staffing / Legal / Information Technology Considerations

The City of Owen Sound will be responsible for administering and enforcing the Parking By-laws on County Roads in its municipality.

## Link to Strategic Goals / Priorities

4.1 Continue to work collaboratively with local municipalities.
