Dear Warden Barfoot,

Re: Grey Gables Long Term Care Facility

Council of the Municipality of Grey Highlands passed the following resolution at their meeting of September 19th, 2016:

**16-665
Halliday - Little**

Whereas the 66 bed Grey Gables Long Term Care Facility has served the Markdale and Area community well and is an important contributor to the local economy; and

Whereas the population is aging and the need for more beds exists; and

Whereas Grey Gables was designed for future growth and could accommodate an expansion of 33 beds;

Be it resolved that the Council of the Municipality of Grey Highlands

1) inform the Warden and Council of the County of Grey, as well as the Director of Long Term Care, that the Municipality of Grey Highlands supports the continuation of the Grey Gables Long Term Care Facility; and

2) request that County Council deliberate on advocating to the Ministry of Health and Long Term Care that there is a need to expand the number of long term beds in our community.

CARRIED.
